# WAIVER OF LIABILITY

I, Participant's Legal Guardian, am aware and acknowledge that dance is a high energy, full contact sport and injuries can occur during practice and performances. The safety of everyone is of utmost importance, however, I understand and acknowledge that Plie Prep Inc., its employees, contractors, officers, directors and agents will not be held liable in the event of an injury to the Participant during one of our events. Plie Prep Inc. encourages the Participant and the Participant's Legal Guardian to carefully consider the risks associated with dance.

I am aware of the risks connected with the Participant attending and taking part in this event beginning on the 28 day of September, 2024 and continuing thereafter. I have had an opportunity to discuss the risks with Plie Prep Inc. and fully understand the risk of the Participants taking part in the event.

I agree to indemnify and hold harmless Plie Prep Inc., its directors, officers, contractors, employees and agents for any liabilities, losses, injuries, damages, costs (including legal costs on a solicitor and own client full indemnity basis), disbursements, fines, penalties, expenses of which Plie Prep Inc., its directors, officers, contractors, employees and agents may sustain, pay or incur or which may be brought or made against all or any of them in connection with or as a result of the Participant taking part in the event.

This waiver releases Plie Prep Inc., its directors, officers, contractors, employees and agents from all liability relating to injuries that may occur on location before, during, or after the event. By signing this agreement I agree to hold the company entirely free from any liability, including financial responsibility for injuries incurred, regardless of the reasons or circumstances.

I acknowledge the risk involved with this activity including, but not limited to, muscle tears, sprains, and other physical injuries. I certify that my permission to allow the Participant to undertake the event is voluntary and I have been made aware of the risks. Additionally, the Participant does not have any conditions that may increase the Participant's likelihood of injury.

Plie Prep Inc. is committed to ensuring the safety of all participating Dancers in our Pure Progression Intensive. As such, we require your cooperation with the following:

My child/participant is responsible for identifying the person present to pick them up at the end of each day and I will not hold Plie Prep Inc., its directors, officers, contractors, employees and agents responsible for identifying my child/participant's guardian. If my child/participant is unable to do this safely, I will purchase an Observer Pass and attend the weekend Intensive with them.
